GEM®

ACCESSORY CATALOG 2019

GEM® Premium Electric Vehicles

◆ POLARIS®

GEM® PASSENGER VEHICLES

Transport people around campuses, facilities or neighborhoods in distinctive comfort. The GEM's spacious interior, intuitive ergonomics and open-air design make getting in and out easy. All forward-facing seats and quiet operation increase safety and promote connectivity and conversation among passengers.

THE PERFECT VEHICLE FOR:

- Student and Guest Transportation
- Police and Security Control
- Valet and Customer Service
- Site and Campus Tours
- Neighborhoods
- Families

L-Box - Page 25

Doors - Pages 14-15

GEM® UTILITY VEHICLES

With 1,400 lbs. of payload, count on GEM to get the job done efficiently, economically and sustainably—with zero emissions and lower operating costs than a gas-powered van or truck. Choose from hundreds of options and accessories to create the customized vehicle you need to maximize productivity, indoors or out.

THE PERFECT VEHICLE FOR:

- Groundskeeping
- Housekeeping
- Facility Management
- Hospitality
- Indoor Warehouse
- Emergency Service

THE RIGHT SOLUTION

When it comes to moving people and cargo with ease and efficiency, the vehicle you choose matters. Make the smart choice with the electric GEM®. Polaris® engineered for a premium ride and long-lasting durability, the GEM has more built-in comfort and street-legal safety features than a golf cart, and it's more maneuverable, cost-efficient and sustainable than a van or truck. It offers a more spacious interior with the same compact footprint and quiet, electric power for low-cost, low-maintenance operation.

GEM can be customized to your needs—so you can drive, shuttle, haul and work with confidence that you've chosen a vehicle built for what you do. Drive one today and discover why GEM is **the smarter way to move.**™

GENUINE ENGINEERED ACCESSORIES

TABLE OF CONTENTS

*Unless otherwise noted, accessories in this catalog fit 2016 through current models.*

SMART POWER TO MOVE YOU

Whether you travel just a few miles or drive all day, Polaris® GEM® offers versatile battery and charging options to fit your range requirements and ensure your GEM will always be ready to move when you need it.

CHOOSE THE BATTERY RIGHT FOR YOU

FLOODED LEAD ACID	MAINTENANCE FREE	DISTANCE MAINTENANCE FREE	LITHIUM-ION 8.9 KWH	LITHIUM-ION 12.4 KWH
Value battery requires regular maintenance	Leak-free, spill-proof design never needs refilling	For increased distance, especially in hilly terrain	Lightweight and hard-working for maximum range and 2-3X more battery life	Maximum range for shuttle and other high-demand applications
● Range on all Polaris electric vehicles will vary depending on temperature, grade, payload and driving style. Average range value includes testing at 25 mph with 332 lbs of cargo and a stop/start every 1,000 ft on a flat grade.

■ NEV values attained via testing in accordance with NEV America requirements with continuous use on a horizontal grade.

Individual battery information provided below.

Be sure to check for configuration needs if replacing an entire pack, as well as any other requirements.

MAKE	PART #	FITMENT	DESCRIPTION
12V Flooded Lead Acid	4014126	e2, e4	Value battery that comes standard with the vehicles. Requires regular maintenance.
6V Flooded Lead Acid	4015531 4014425	e6, eL XD	Value battery that comes standard with the vehicles. Requires regular maintenance.
Maintenance Free 12V AGM Battery	4015462	e2, e4	Maintenance free battery that never needs filling (leak-free, spill-proof)
Distance Maintenance Free 6V AGM Battery	4015463 4015041	e2, e4, e6, eL XD	Extended range maintenance free battery that never needs filling (leak-free, spill-proof)

CHOOSE THE SMARTEST FIT FOR YOU:

MAINTENANCE

- The Flooded Lead Acid will require monthly watering maintenance
- AGM batteries only require you to maintain a charge level of at least 20% and check connections monthly
- Lithium-Ion require **no maintenance**

LONG TERM BATTERY LIFE

Long term battery life is determined by the amount of times you plug your battery in to charge

- Lithium-Ion batteries have more charge cycles for a longer life span
- Batteries with more range require less frequent charging. This allows for a longer life span

CHARGE TECHNIQUES

Standard/Overnight Charging

- Speed without fast charger is overnight (8 hour) charge time. *See page 10 for fast charger information*
- Flooded and Maintenance Free batteries charge speed is reduced for the final 20%. Lithium-Ion maintain their speed

Opportunity Charging = plugging in at any battery level

- If this is a priority Lithium-Ion is the best choice, it can reduce battery life for other battery options

LITHIUM-ION BENEFITS

Maximum Range + 2-3 x longer Battery Life + Lighter Weight + Better Acceleration + Easy Charging + No Regular Maintenance

EASY CHARGING:

- Flexible charge duration
- Chargeable at any battery level *(best for opportunity charging)*

- High functioning in cold weather
- *PLUS* - No regular maintenance required!

MAKE	PART #	FITMENT	DESCRIPTION
8.9 kWh Lithium-Ion Battery Pack - 44V	4017366	e2, e4, e6®, eL XD	44V Lithium-Ion battery pack - part of 8.9 kWh system providing extended range and longer life
12.4 kWh Lithium-Ion Battery Pack - 30V	4017365	e2, e4, e6, eL XD	30V Lithium-Ion battery pack - part of 12.4 kWh system providing extended range and longer life
12.4 kWh Lithium-Ion Battery Pack - 15V	4017364	e2, e4, e6, eL XD	15V Lithium-Ion battery pack - part of 12.4 kWh system providing extended range and longer life
12V Battery for use with Lithium-Ion options	4014770	e2, e4, e6, eL XD	12V battery for use with Lithium- Ion battery system to drive BMC; REQUIRED for both Lithium-Ion offerings
Lithium-Ion Battery Upfit Kit	2881852	e2, e4, e6, eL XD	Kit to upfit GEM® battery system to Lithium-Ion package (same kit for upfit to 8.9 or 12.4 system); REQUIRED for both Lithium-Ion offerings

LOOKING TO UPGRADE TO FAST CHARGER?

Three components are required to get the most out of your fast charging abilities:

1) the fast charger, **2)** the station charger and **3)** a 240V outlet.

FAST CHARGER

Charge your GEM® at accelerated speeds with a fast charger. Ordering a quantity of one 3kW charger will charge up to 3x faster and ordering a quantity of two will give you charging up to 6x faster.

These accelerated speeds are optimized when used with Lithium-Ion or Distance AGM batteries and a 240 V outlet. For 240V outlet, check city infrastructure for public options or look into at home installation.

This charger requires one of the station chargers to plug into charger receptacle.

Required, sold separately: Charger Mounting Kit (PN 2881835)

CHARGER FITMENT	3kW	6kW
Flooded	No	No
Maintenance Free	Yes	No
Distance Maintenance Free	Yes	No
Lithium-Ion 8.9 kWh	Yes	Yes
Lithium-Ion 12.4 kWh	Yes	Yes

J1772 3kW/6kW CHARGER MOUNTING KIT

This kit is required to install the fast charger options onto the vehicle

ENHANCED CHARGE CORD

The upgraded charge cord plugs into a standard wall outlet but now includes an enhanced door seal that reduces the risk of water incursion and corrosion. We also added a positive, full-insertion mechanism that includes an audible click and visual confirmation that the plug is fully inserted. Furthermore, a more robust electrical connection reduces the risk of arching.

(Note: This charge cord not compatible with J1772 charge cord. Standard on select Model Year 18 vehicles, standard on Model Year 19 to current.)

SOLAR

PART #: 2881506
FITMENT: e4

PART #: 2881507
FITMENT: e6®, eL XD (with 2881663)

Extend your time between charges and battery life with a renewable source of energy - the sun!

The solar panel is lightweight, non-glass high efficiency Mono Crystalline Solar which is hail and impact resistant

Specifically designed and programmed to work with and match the Polaris® 48V battery set systems
Does not work with: Lithium-Ion

BATTERY WATERING KITS

PART #: 2881635 – **12V**
FITMENT: e2, e4

PART #: 2881636 – **6V**
FITMENT: e6, eL XD

Filler works by replacing the battery's existing vent caps with valves that are interconnected with tubing, allowing the user to fill all cells of the battery from a single remote location

Each valve independently shuts off water flow to the cell when the proper electrolyte level is reached, allowing the batteries to be filled perfectly each time

CHARGE PORT DOOR

WHITE PART #: 2882582-599
FITMENT: e2, e4, e6, eL XD

BLACK PART #: 2882582-666
FITMENT: e2, e4, e6, eL XD

RED PART #: 2882582-520
FITMENT: e2, e4, e6, eL XD *(2016-2018 MODELS ONLY)*

BLUE PART #: 2882582-598
FITMENT: e2, e4, e6, eL XD *(2016-2018 MODELS ONLY)*

Improved port door now has curved edges for easier grip, and integrated hinges for sturdier door when charging. Works as a direct replacement for 2016 charge port doors.

BATTERY FILLER SYSTEM FOR GEM® eM®1400 LSV

PART #: 2880201
FITMENT: eM 1400 LSV

Filler works by replacing the battery's existing vent caps with valves that are interconnected with tubing, allowing the user to fill all cells of the battery from a single remote location

Each valve independently shuts off water flow to the cell when the proper electrolyte level is reached, allowing the batteries to be filled perfectly every time

POWER, CHARGING

GRAY TWO-TONE SEATS

PART #: 2686216-317
FITMENT: e2, e4, e6®, eL XD

Enhance your GEM®'s style with two-toned seats

UNDERSEAT STORAGE

PART #: 2882505
FITMENT: e2, e4, e6, eL XD

The underseat storage allows for minimal rear seat foot room impact, has 3 compartment design with a large central storage space and side load storage. It mounts to the seat via velcro, keeping it securely in place

UNDER SEAT STORAGE TUB

PART #: 2880202
FITMENT: eM® 1400 LSV

Gain extra storage with this storage tub
Fits underneath the seat
RUBBER FLOOR MATS

PART #: 5416119 – **Front**
FITMENT: e2, e4, e6, eL XD

PART #: 5416120 – **Rear**
FITMENT: e4, e6

Protects your floors from scuff marks, and provides added traction

## CENTER CONSOLE WITH CUPHOLDERS

PART #: 2881674
FITMENT: e2, e4, e6, eL XD

Add additional cupholders between the seats with this convenient center console

VISOR

PART #: 2884227
FITMENT: e2, e4, e6®, eL XD

Enhance comfort and safety by blocking the sun and increasing visibility

WINDSHIELD WASHER

PART #: 2881863
FITMENT: e2, e4, e6, eL XD

Keep your windshield free of dirt and debris

ELECTRONIC POWER STEERING (EPS)

PART #: 2882508
FITMENT: e2, e4, e6, eL XD

Electric Power Steering allows for a more comfortable and effortless driving experience.

WIPER KIT

PART #: 2880884
FITMENT: eM®1400 LSV

Clear rain and debris from your windshield with the flick of a switch

Easy installation, includes all hardware, wiring and switches

HEATER KIT

PART #: 2880880
FITMENT: eM 1400 LSV

PART #: 2882717
FITMENT: e2, e4, e6, eL XD

Provides fan and heat source to raise cab temperatures in electric vehicles

Easy installation, includes heater, fan, mounting hardware, blower ducts and wiring

CAB ACCESSORIES

SIDE MIRROR KITS

PART #: 2882581
FITMENT: e2, e4, e6®, eL XD

PART #: 2881001 – Driver
FITMENT: eM® 1400 LSV

PART #: 2881002 – Passenger
FITMENT: eM 1400 LSV

Large, fully-adjustable mirror provides good visibility to the sides and rear of the vehicle, especially when in heavy traffic or tight parking areas

Easy installation

Required, sold separately: Mounting Kit (PN 2881012) when used on any vehicle with Poly Doors (PN 2879111)

*Direct replacement for 2016 standard factory side mirror

REAR VIEW HARDWARE KIT

PART #: 2882580
FITMENT: e2, e4, e6, eL XD

This kit allows you to install a rearview mirror on MY16 GEM®s to enhance your awareness of vehicles and obstacle around and behind your GEM. It mounts securely, is adjustable, and it provides an excellent view of traffic or obstacles behind or alongside your GEM

Required, sold separately: Mounting Kit (PN 2881011)

LIGHTNING AUDIO STEREO

PART #: 2882314
FITMENT: e2, e4, e6, eL XD

The Lightning Audio LA-1500BT Stereo features large 6.5" Rockford Fosgate speakers with a built-in amplifier, AM/FM radio, Bluetooth wireless technology, app control for smartphones, USB port and front auxiliary input

Face plate is detachable for added security

SPEED KEY

PART #: 2883054
FITMENT: e2, e4, e6®, eL XD

GEM® owner controls the performance available to individual drivers with this speed key. The kit is mounted under the hood to govern vehicle speed between either 10 mph or 15 mph and 25 mph. 25 mph is the speed that an LSV used on road must legally travel. Dealer installation and re-flash required

HORN KIT

PART #: 2875048
FITMENT: eM® 1400 LSV

Installs in the console area

Connects to the vehicle's battery power supply

COVERS

PART #: 2687218
FITMENT: e2

PART #: 2687219
FITMENT: e4

PART #: 2687220
FITMENT: e6

PART #: 2687221
FITMENT: eL XD

Protects your vehicle in short or long term storage

Water-resistant, washable, and designed not to scratch the finish of your vehicle

Features a cinch strap to ensure a tight fit

REVERSE WARNING KIT

PART #: 2876228
FITMENT: eM 1400 LSV

While in reverse, a beep will sound alerting those around you that you are backing up

CAB ACCESSORIES

HOW TO ORDER GEM® DOORS

A **STEP-BY-STEP GUIDE** FOR ORDERING DOORS FOR DEALER INSTALLATION

See your local dealer for full details and ordering information.

STEP 1

CHOOSE YOUR DOOR MOUNTING KIT.
This kit includes the framing to which the doors mount. The kits vary by vehicle model.
All door options require a door mounting kit.

PART #	KIT	MODEL
2881857	Door Mounting Kit	e2, eL XD
2881858	Door Mounting Kit	e4
2881859	Door Mounting Kit	e6®

STEP 2

CHOOSE YOUR FILLER COLOR.
This part includes the filler panels in the front and rear of the vehicle to close the gaps between the frame and door.
The kits need to be ordered to match vehicle model AND door color. This kit is required for mounting all door options.

PART #	KIT	MODEL
2881860-666	Black Filler Kit	e2, e4, e6, eL XD
2881860-599	White Filler Kit	e2, e4, e6, eL XD

STEP 3

CHOOSE YOUR DOOR TYPE AND COLOR.
Doors are ordered in quantities of one. Ensure you order the same color, door type and appropriate
quantities of each door needed.

A Rear Window (PN 5452161) is recommended to complete the cab enclosure if one wasn't installed at the
factory as an option upgrade.

*Adhesive Kit (PN 2882097) required, sold separately

See next page for door selection and pricing

FRONT FULL HARD DOOR

FITMENT: e2, e4, e6®, eL XD

COLOR	PART #
Driver's Side Black	2635825-666
Driver's Side White	2635825-599
Passenger Side Black	2635826-666
Passenger Side White	2635826-599

MIDDLE/REAR FULL HARD DOOR

FITMENT: e4, e6

COLOR	PART #
Driver's Side Black	2635827-666
Driver's Side White	2635827-599
Passenger Side Black	2635828-666
Passenger Side White	2635828-599

*Red and Blue front, middle and rear doors available. Contact your dealer for more information.

LOCK & RIDE® POLY DOORS

PART #: 2879111
FITMENT: eM® 1400 LSV

Provides protection and comfort

Windows can be opened, and pivoted as desired for airflow and exterior access

Strong, durable structural web injection-molded shell

Profile tubing and plastic design create sealed perimeter

Lightweight, strong and durable polyethylene construction

Textured finish on polyethylene matches vehicle finish

Door is backed with sound-absorbing insulation material

DOOR SEALS

PART #: 2207257
FITMENT: e2, eL XD

PART #: 2207267
FITMENT: e4

PART #: 2207268
FITMENT: e6

Get the ultimate weather protection. With the L-shaped cab frame design, the doors mount flush and include newly improved door seals that improve water intrusion. For nice weather, these doors can be easily removed in just seconds. If ordering a new vehicle these seals come standard. The seals are meant to upfit older models. See dealer for details.

LOCK & RIDE® POLY ROOF

PART #: 2879109
FITMENT: eM® 1400 LSV

Installs quickly and easily, without tools, using Lock & Ride technology and provides a sealed fit

Provides outstanding overhead protection and shade to keep riders protected and comfortable

Lightweight, strong and durable polyethylene construction

Textured finish on polyethylene matches vehicle finish

REAR WINDOW

PART #: 5452161
FITMENT: e2, e4, e6®, eL XD

Protect the interior from sun, wind and rain

POLY REAR PANEL

PART #: 2879950
FITMENT: eM 1400 LSV

Installs quickly and easily, without tools, using Lock & Ride technology

WHEELS

ALUMINUM WHEELS (14 X 165)

PART #: 1522553
FITMENT: e2, e4, e6®, eL XD

Add styling to your GEM® with an aluminum rim

Tires offer a smooth ride

Rated for on-road driving

Sold individually: order quantity of 4 for complete set

PLASTIC HUBS

PART #: 1522584
FITMENT: e2, e4, e6, eL XD

Add a bit of style and curb appeal to your GEM while still keeping your costs down

Not compatible with aluminum rims, sold individually

FENDER FLARES

PART #: 2881673
FITMENT: eL XD

Help protect your vehicle's side panels.

For rear wheels only
BALLAST PLATE

PART #: 2882298
FITMENT: e2, e4, e6, eL XD

Adds weight to the front of GEM improving its traction on steep hills

Only available on 2016-2017 models

FRONT RUGGED BUMPER

PART #: 2881627
FITMENT: e2, e4, e6®, eL XD

The rugged bumper adds extra front protection for heavy-duty work applications

Powder-coated steel

Does not work with: Front Chrome Bumper

PREMIUM FRONT BUMPER

PART #: 2881629
FITMENT: e2, e4, e6, eL XD

Enhance the styling of your GEM® with a polished finish

Protect your vehicle from scratches and dings

Does not work with: Front Rugged Bumper

REAR RUGGED BUMPER WITH HITCH

PART #: 2882458
FITMENT: e2, e4, e6

Powder coated steel

Protect your vehicle from scratches and dings

1 ¼ inch receiver

Does not work with: Rear Chrome Bumper

PREMIUM REAR BUMPER

PART #: 2881630
FITMENT: e2, e4, e6, eL XD

Enhance the styling of your GEM with a polished finish

Protect your vehicle from scratches and dings

Does not work with: Rear Rugged Bumper

REAR RUGGED BUMPER WITH HITCH

PART #: 2881628
FITMENT: eL XD

Powder coated steel

Protect your vehicle from scratches and dings

2 inch receiver

Does not work with: Rear Chrome Bumper

POLARIS® 3500 LB. INTEGRATED WINCH

PART #: 2881669
FITMENT: eM® 1400 LSV

3,500 lbs. rated pull

50 feet of 7/32 inch high-strength steel cable

Sealed motor and gear train to ensure reliable operation in extreme conditions

Includes: mini-rocker corded switch, roller fairlead, hook and strap and all mounting hardware and installation wiring

Required, sold separately: EV Winch Kit (PN 2879031), 30A Batteries (PN 4010630)

LIGHTS	PART #	FITMENT	DESCRIPTION
Amber Security Light Bar	2412057	eM® 1400 LSV	Easy to install light design by Code 3 Rotating light
Red Security Light Bar	2412059	eM 1400 LSV	Easy to install light design by Code 3 Rotating light
Amber LED Light Bar	2412060	eM 1400 LSV	Clear lens with amber colored LEDs Low profile for a stealth look Draws 50-75% less amps than a standard mechanical security light bar
Blue/Red LED Light Bar	2412063	eM 1400 LSV	Clear lens with blue/red LEDs Low profile for a stealth look Draws 50-75% less amps than a standard mechanical security light bar
LED Light Bar	2881803	e2, e4, e6®, eL XD	Great for industrial applications Amber colored roof mounted bar light adds visibility for safer operation Does not work with: Beacon Light

PREMIUM LED HEADLIGHTS

PART #: 2413644
FITMENT: e2, e4, e6®, eL XD

Upgrade to premium and get daytime running lights to make your GEM® more visible to others along with additional LED bulbs for increased visibility at night

Qty. 1

BEACON LIGHT

PART #: 2880912
FITMENT: eM® 1400 LSV

Great for industrial applications

Amber colored beacon light adds visibility to the vehicle for safe operation and can be used with or without a poly roof

All wiring and hardware is included

LED BEACON LIGHT

PART #: 2881802
FITMENT: e2, e4, e6, eL XD

Great for industrial applications

Amber colored roof mounted beacon light adds visibility for safer operation

Does not work with: Light Bar

REVERSE LIGHT KIT

PART #: 2413085
FITMENT: e2, e4, e6, eL XD

Reverse lights give added safety so those around you know when your backing up

BACK-UP CAMERA

PART #: 2883250
FITMENT: e2, e4, e6

New back-up camera is one more feature to help you navigate the urban environment while keeping your eyes where they need to be. The viewing screen is conveniently located on the rearview mirror so your eyes are always on the road. The camera is mounted on the vehicle's rear panel and is activated when the vehicle is in reverse increasing pedestrian safety and enhancing vehicle maneuverability in reverse

Meets LSV Standard FMVSS 111

*Standard on select 2018 to current model years

BACK-UP CAMERA

PART #: 2883251
FITMENT: eL XD

Meets LSV Standard FMVSS 111

*Standard on select 2018 to current model years

LIGHTS & CAMERAS

S-BED

PART #: 2882431
FITMENT: e2, e4, e6®

Easily convert the back of your GEM® to carry more cargo. This bed allows for up to 330 pounds of payload when installed. It is 32.5x42.5 inches, made of space age material and has 4 D-rings to help secure your cargo

S-BED SOLID SIDES

PART #: 2882432
FITMENT: e2, e4, e6

Durable support for hauling and transporting larger, bulky loads. Solid sides help eliminate cargo from falling out

S-box sides are made of aluminum with spring loaded latch for the hinged tailgate to make it easy to load and unload

Required, sold separately: S-Bed (PN 2882431)

Does not work with: Trunk Back and Linksback

S-BOX

PART #: 2882713
FITMENT: e2, e4, e6

Lockable, weather-tight, enclosed cargo carrier is perfect for transporting food and cargo, supplies or tools

Features hinged supported door and high-quality lockable door latch

Large, 23 cu ft storage capacity

Dimensions 28" x 38" x 38"

Does not work with trunkback or linksback. Requires S-bed and Solid Sides.

TIE DOWNS

PART #: 2881781
FITMENT: e2, e4, e6

Help secure your cargo with these easy to install tie downs

Required, sold separately: S-Bed (PN 5262121)

Does not work with: Trunk Back and Linksback

LINKSBACK

PART #: 2881634
FITMENT: e2, e4, e6®

Carries two golf bags

Does not work with: S-Bed, S-Bed Solid Sides, Trunkback, Rear Rugged Bumper and Rear Chrome Bumper

TRUNK BACK

PART #: 2881504
FITMENT: e2, e4, e6

Lockable and removable design that is easy to install and remove

Perfect for groceries or other small cargo

Measures 33" x 16" x 15"

100 lb. carrying capacity

Does not work with: S-Bed, Solid Sides, Linksback and Rear Cargo Net

REAR CARGO NET

PART #: 2881915
FITMENT: e2, e4, e6

Helps secure your load

Designed to be used with passenger carriers, such as S-bed and S-bed Solid Sides

Requires Tie Downs (PN 2881781)

PASSENGER CARRIERS

FRONT TOOL CHEST

PART #: 2881632
FITMENT: eL XD, eM® 1400 LSV

Keep tools and equipment in a convenient location

Lockable for added security

Measures 47.25″ x 20″ x 19.5″ and has a 200 lb. carrying capacity

Does not work with: Front Panel
SIDE TOOL CHEST

**PART #:** 2881633
FITMENT: eL XD

Fits the length of the flat bed and allows an open space in between for items that won't fit inside the boxes

Lockable for added security

Does not work with: Boxside and L-Box

BOXSIDE

PART #: 2883090
FITMENT: eL XD

Durable support for hauling and transporting larger, bulky loads

Easy to remove sides for oversized loads

Solid sides help eliminate cargo from falling out

Hinged for easy access

Required, sold separately: Front Panel (PN 2881778), or Front Tool Chest (PN 2881632) with Boxside Tool Chest Adapter (PN 2881780) for mounting

Does not work with: L-Box

eL XD BED TIE DOWNS

PART #: 2881722
FITMENT: eL XD, eM 1400 LSV

Help secure your cargo with these easy to install stainless tie down brackets

BOXSIDE TOOL CHEST ADAPTER

PART #: 2881780
FITMENT: eL XD

Used to adapt the front tool chest to mount solid sides

RECESSED BED COVER

PART #: 2881681
FITMENT: eL XD

These panels create a flat bed on the eL XD for hauling

FRONT PANEL

PART #: 2881778
FITMENT: eL XD

Used with solid sides without Front Tool Chest

Durable support for hauling and transporting larger, bulky loads

Protects cabin from loads in box

Required, sold separately: Boxsides (PN 2881777)

Does not work with: L-Box and Side Tool Chest

FOLD DOWN STAKEBACK

PART #: 2881682
FITMENT: eL XD

Durable support for hauling and transporting larger, bulky loads

Easy to remove sides for oversized loads

L-BOX

PART #: 2882712
FITMENT: eL XD

Features a 44 inch high cab canopy box, lined rear door and full length side door for easy access to cargo

Made of aluminum with an enamel white finish

Does not work with: Boxside, Ladder Rack, Front Tool Chest, Side Tool Chest and Front Panel

LADDER RACK ACCESSORY FOR L-BOX

PART #: 2883089
FITMENT: eL XD

Commercial truck inspired accessory to mount on L-Box, ideal for transporting long items like ladders, pipe, lumber or building and maintenance supplies

Rated for up to 75 lbs of cargo

Required, sold separately: L-Box (PN 2882712)

LADDER RACK

PART #: 2881663
FITMENT: eL XD

Ideal for transporting long items such as ladders, pipe, lumber or other building and maintenance supplies

Rated for up to 75 lbs. of cargo

Can be installed with Bed Sides or Tool Chests

Does not work with: L-Box

60 GALLON BOOMLESS UTILITY SPRAYER

PART #: 2879799
FITMENT: eM 1400 LSV

Features a 60-gallon corrosion-resistant polyethylene tank, 12-volt diaphragm pump, and a pressure gauge with adjustable spray pressure

Delivers fluids at a rate of up to 3.8 gpm with a 45 psi maximum

Deluxe pistol grip handgun with an adjustable nozzle and 25 foot hose

Spray gun horizontal throw is 35 feet, with a maximum vertical throw of 26 feet

Boomless nozzles can deliver across a full 30 foot spray coverage area

Material: Polyethylene tank

Required, sold separately: Bed Sides (PN 2880070)

MANUAL BOX LIFT

PART #: 2880418
FITMENT: eM® 1400 LSV

Manual latch to release bed tilt and hydraulic shock to hold bed in dump position

All mounts are integrated into the chassis for easy installation

Includes all hardware

ELECTRIC BOX LIFT

PART #: 2880145
FITMENT: eM 1400 LSV

Heavy-duty actuator raises/lowers cargo box
